

Wisenet Certified Professional Course Agenda

PRE-SALES TRAINING COURSES AGENDA

Primary Attendees: Pre-Sales Engineers, Pre-Sales Managers, Pre-Sales Lead, Engineering Managers, Design Engineers, Technical Sales Engineers

Other notes

- **Exam link will be emailed after the course completion.**

WISENET Camera Course Agenda (Pre-Sales Part 1 – 2.5 Hours)

(10:00 - 11:00) About Hanwha & Core Technology Imaging
Product Nomenclature

(11:00 - 12:00) IP Camera Series Line Up Comparison Study 1/2
IP Camera Series Line Up Comparison Study 2/2

(12:00 - 12:30) IP Storage Calculation & Wisenet Toolbox Practice

- **Coffee break 15 minutes during the sessions**

(12:30 - 01:30) Lunch Break

WISENET NVR Course Agenda (Pre-Sales Part 2 – 2.5 Hours)

(01:30 - 02:30) NVR Series Feature Comparison
NVR Nomenclature

(02:30 - 03:30) SSM VMS Design & Server Requirements
Viewer Licensing

(03:30 - 04:00) Virtual Matrix Video Wall Design

- **Coffee break 15 minutes during the sessions**

WISENET Access Control Design Course Agenda (Pre-Sales Part 3 – 1 Hour)

(04:00 - 04:30) Full Feature List of Access Control Software
Controllers and Readers Selection

(04:30 - 05:00) Project Design Examples Software
Server requirements

Wisenet Certified Professional Course Agenda

POST SALES CCTV CAMERAS & NVRS CONFIGURATION COURSES AGENDA

Primary Attendees: Project Engineers, Commissioning Engineers, Field Technicians, Field Engineers, Operators, Technical Supervisors

Other Notes

- **LAPTOP Required to Attend the Lab.**
- **Exam link will be emailed after the course completion.**

WISENET Camera Configuration Course (Part 1 - 3.5 Hours)

(10:00 - 10:30) Camera Series Overview
Camera Cabling & Installation Guideline
Camera Initialization & Password

(10:30 - 11:00) Wisenet Device Manager: IP Address, Date/Time, Video Profiles, Focus & Remote Zoom, Firmware Update, Reporting , OSD, Misc. Functions.

(11:30 - 12:00) Wide Dynamic Range
Advanced Image Optimization

(12:00 - 12:30) Motion and Analytic Configuration
Configuration Back Up, Logs

(12:30 - 01:30) Live Practice via Connected Cameras

- **Coffee break 15 minutes during the sessions**

(01:30 - 02:00) Lunch Break

Wisenet Certified Professional Course Agenda

WISENET NVR Configuration Course (Part 2 - 3 Hours)

(02:00 - 02:30) NVR Series Overview NVR Hardware
Cabling & Installation Guideline
Licensing

(02:30 - 03:30) NVR Initialization & Password
Camera Registration
Profile configuration, Camera Names, Recording Profiles, Pre & Post Alarm
Web UI monitoring, Playback & Export

(03:30 - 04:00) Configuration Settings Back Up,
Device Manager with NVR
Viewer Licensing

(04:00 - 04:30) Wisenet Viewer Operation with NVR : Live, Playback , Export,
Live Streaming & Profile Configurations

(04:30 - 05:00) Live Practice via Connected Cameras & NVR

- **Coffee break 15 minutes during the sessions**

Wisenet Certified Professional Course Agenda

POST SALES CCTV CAMERAS & VMS CONFIGURATION COURSES AGENDA

WISENET Camera Configuration Course (Part 1 - 3.5 Hours)

- (10:00 - 10:30)** Camera Series Overview
Camera Cabling & Installation Guideline
Camera Initialization & Password
- (10:30 - 11:00)** Wisenet Device Manager: IP Address, Date/Time,
Video Profiles, Focus & Remote Zoom, Firmware Update, Reporting ,
OSD, Misc. Functions.
- (11:30 - 12:00)** Wide Dynamic Range
Advanced Image Optimization
- (12:00 - 12:30)** Motion and Analytic Configuration
Configuration Back Up, Logs
- (12:30 - 01:30)** Live Practice via Connected Cameras

- **Coffee break 15 minutes during the sessions**

(01:30 - 02:00) Lunch Break

WISENET SSM VMS Configuration Course (Part 2 - 3 Hours)

- (02:00 - 02:30)** SSM VMS Features Overview
SSM VMS Design with NVR or Direct Recording
Licensing
- (02:30 - 03:30)** Wisenet Servers Features
Wisenet Servers Installation Guideline
Camera Registration , Live , Multi screen monitoring , Playback , Export
PTZ Control and Naming
- (03:30 - 04:00)** SSM Camera Profiles,
SSM Recording Setup,
Disk and Camera assignment, Event Recording
